

Utah State University
Department of Chemistry and Biochemistry
2019-2020 ACS-HACH Land Grant Undergraduate Scholarship

Deadline: Friday, March 8, 2019

This form is for the ACS-HACH Scientific Foundation Chemistry Teacher Scholarship. Eligibility is restricted to chemistry majors with a commitment to becoming a high school chemistry teacher. Strong preference will be given to chemistry teaching majors. Recipients must enroll as full-time students and maintain a cumulative GPA of at least 3.0. Recipients must sign a yearly agreement committing to becoming a high school chemistry teacher, and a brief annual written statement to the donor, describing their career status for the first five years after graduation. Recipients must be citizens of the United States or permanent residents. Economic need will be considered, but will not be the determining factor in selection.

The recipient of this scholarship will receive \$10,000 per academic year as long as they meet eligibility requirements, until such time as they complete the necessary course work for the chemistry degree and teachers' certification.

Instructions:

1. Complete and sign this application (page 2).
2. Collect the following documents:
 - Current official transcript, or transcript from current high school, if not yet graduated.
 - Two letters of recommendation from appropriate sources (e.g. teachers, mentors, religious leaders; coaches) who can comment on your ability to pursue a career as a high school chemistry teacher. The letters should be submitted in sealed envelopes with the signature of the recommender on the seal.
 - An essay (500 words or less) describing why you want to pursue a career as a high school chemistry teacher.
3. Send the application and all documents in one complete package to:
ACS-HACH Foundation Scholarship Committee
