

CHEM INTRO TO CHEMISTRY LAB 1015

Course Description

CHEM 1015 is a laboratory chemistry course offered to students concurrently enrolled in CHEM 1010. This course offers hands-on experience making measurements and observations in a laboratory setting. The labs are selected to support topics taught in CHEM 1010, including: safety, density, use of laboratory equipment, mole reactions, acid and base measurements, and the metric system. Students should gain an appreciation of the skills needed to get accurate data and learn chemical manipulations necessary for their chosen field. The lab is optional. This is a 1 credit course and is separate from the associated lecture.

Corequisite: CHEM 1010

Campus: USU-CEU only

Fees

\$45 - The laboratory fee is used for equipment, chemicals, and preparation of the experiments and procedures for this course.

Course Objectives

By the end of this course, you will be able to:

1. Make quantitative measurements of mass, volume, and dimensions using laboratory equipment.
2. Carry out basic calculations to determine volume, density, concentration, hydrogen ion concentration, etc using measurements made in the labs.
3. Use observations, calculations, and interpretation to derive results from laboratory procedures.

Course Resources

There are no textbook, workbook, or other external resources required for this course. Students will need to carry out simple calculations for some labs using calculators or smart phone apps.

Course Requirements

Each student will:

1. Attendance is required and monitored for every scheduled lab.
2. Safety training is required and a safety statement signature / acknowledgement is required before any procedures are carried out.
3. Personal Protective Gear is required during laboratory procedures. Compliance is mandatory and specified appropriate gear is identified for each laboratory.
4. No FOOD or DRINK is allowed in the teaching laboratory at any time.

Evaluation Methods and Criteria

Compliance with safety requirements is mandatory at all times. Penalties for infraction may include removal from the course and a failing grade.

Grading is based upon

1. attendance ~20%
2. carrying out laboratory procedures and completing any required write up, calculations, and follow up questions. ~80%
 1. When required, lab write ups are due at end of business the week following the lab. Most students will find it convenient to complete the write up before leaving a lab session and handing it in on the same day as the lab procedure.
3. Quizzes can be given through CANVAS or in laboratory setting as needed. These might account for ~15% of the total grade if given.

Attendance always counts. There are no "make up" lab sessions ever.

The lowest lab score is dropped from the calculation.

Grade Scheme

The following grading standards will be used in this class:

Attendance and Excused Absences Policy

Attendance is required at every session. Attendance counts for 20% of the final grade. Tardiness is penalized. No lab write up is possible for a session that any student does not attend. Students must be present to carry out the laboratory procedures - if not, score for the lab write-up is zero.

Nonattendance Policy

Students May Be Dropped For Nonattendance

If a student does not attend a class during the first week of the term or by the second class meeting, whichever comes first, the instructor may submit a request to have the student dropped from the course. ***(This does not remove responsibility from the student to drop courses which he or she does not plan to attend.)*** This option is typically used for classes that are full and the instructor is trying to make a seat available for another student, but may be considered for other courses. Requests must be made during the first 20 percent of the course and will be considered on an individual student basis. Students who are dropped from courses will be notified by the Registrar's Office through their preferred e-mail account (see [2018-2019 General Catalog](http://catalog.usu.edu/content.php?catoid=12&navoid=3955) [_\(http://catalog.usu.edu/content.php?catoid=12&navoid=3955\)](http://catalog.usu.edu/content.php?catoid=12&navoid=3955)).

Assumption of Risk

All classes, programs, and extracurricular activities within the University involve some risk, and certain ones involve travel. The University provides opportunities to participate in these programs on a voluntary basis. Therefore, students should not participate in them if they do not care to assume the risks.

Students can ask the respective program leaders/sponsors about the possible risks a program may generate, and if students are not willing to assume the risks, they should not select that program. By voluntarily participating in classes, programs, and extracurricular activities, a student does so at his or her own risk. General information about University Risk Management policies, insurance coverage, vehicle use policies, and risk management forms can be found at: <http://www.usu.edu/riskmgt/> (<http://www.usu.edu/riskmgt/>)

Library Services

All USU students attending classes in Logan, at our Regional Campuses, or online can access all databases, e-journals, and e-books regardless of location. Additionally, the library will mail printed books to students, at no charge to them. Students can also borrow books from any Utah academic library. Take advantage of all library services and learn more at libguides.usu.edu/rc. (<http://libguides.usu.edu/rc>)

Classroom Civility

Utah State University supports the principle of freedom of expression for both faculty and students. The University respects the rights of faculty to teach and students to learn. Maintenance of these rights requires classroom conditions that do not impede the learning process. Disruptive classroom behavior will not be tolerated. An individual engaging in such behavior may be subject to disciplinary action. Read [Student Code Article V Section V-3](https://studentconduct.usu.edu/studentcode/article5) [_\(https://studentconduct.usu.edu/studentcode/article5\)_](https://studentconduct.usu.edu/studentcode/article5) for more information.

University Policies & Procedures

COVID-19 Classroom Accommodations

If you face COVID-19 related challenges and feel you need accommodations, you must request those accommodations by filling out the [COVID-19 Questionnaire](https://www.usu.edu/covid-19/questionnaire/index.php) [_\(https://www.usu.edu/covid-19/questionnaire/index.php\)_](https://www.usu.edu/covid-19/questionnaire/index.php). Upon doing so, the University [COVID CARE Team](https://www.usu.edu/covid-19/if-you-are-sick/care-team.php) [_\(https://www.usu.edu/covid-19/if-you-are-sick/care-team.php\)_](https://www.usu.edu/covid-19/if-you-are-sick/care-team.php) will contact you to determine your needs and how to support you. The CARE Team will also contact your instructors and provide important direction on how best to accommodate your needs. For additional reference, please see USU's [Attendance and Excused Absence](https://catalog.usu.edu/content.php?catoid=12&navoid=3160) [_\(https://catalog.usu.edu/content.php?catoid=12&navoid=3160\)_](https://catalog.usu.edu/content.php?catoid=12&navoid=3160) policy and the [COVID-19 Classroom Accommodations](https://www.usu.edu/covid-19/operations/accommodations) [_\(https://www.usu.edu/covid-19/operations/accommodations\)_](https://www.usu.edu/covid-19/operations/accommodations) page.

Reducing COVID-19 Risk

You can help keep classes, events, and activities happening in person this semester by following these steps:

1. **Get vaccinated if you're able.** Vaccines are the best available tool to help stop the spread of COVID-19. They are safe, free, and easy to access.
2. **If you are vaccinated, let USU know.** Please [upload your proof of full vaccination](http://aggiehealth.usu.edu/) [\(http://aggiehealth.usu.edu/\)](http://aggiehealth.usu.edu/) to AggieHealth. If you are exposed to COVID-19, USU's case containment will not require you to quarantine if they know you are vaccinated and you do not have symptoms.
3. **Stay home if you're sick** and [get tested for COVID-19](#) if you have symptoms or have been exposed. It's important to not bring any illness to campus.
4. **Wear a mask indoors.** Public health experts recommend that even vaccinated people wear masks indoors in high COVID-19 transmission areas, which includes most of Utah.

If USU's COVID Case Containment team identifies an uncontained situation in the classroom, you will be notified of any temporary changes to your course delivery method through a Canvas announcement. Please make sure you are receiving immediate notifications of new Canvas announcements. The situation will be handled according to protocols on the [COVID Classroom Exposure](https://www.usu.edu/covid-19/students/classroom-exposure) [_\(https://www.usu.edu/covid-19/students/classroom-exposure\)_](https://www.usu.edu/covid-19/students/classroom-exposure) page.

Class Seating Charts (For In-Person Classes)

In classes with more than 10 students, a seating chart will be used to track where you are sitting. After the first week of classes, your instructor will tell you how to enter your seat number in Canvas. **You must sit in the same seat for the rest of the semester.** This is extremely important for tracking cases of COVID-19 and helping classes remain in person.

Academic Freedom and Professional Responsibilities

Academic freedom is the right to teach, study, discuss, investigate, discover, create, and publish freely. Academic freedom protects the rights of faculty members in teaching and of students in learning. Freedom in research is fundamental to the advancement of truth. Faculty members are entitled to full freedom in teaching, research, and creative activities, subject to the limitations imposed by professional responsibility. [Faculty Code Policy #403](http://www.usu.edu/hr/files/uploads/Policies/403.pdf) [_ \(http://www.usu.edu/hr/files/uploads/Policies/403.pdf\)](http://www.usu.edu/hr/files/uploads/Policies/403.pdf) further defines academic freedom and professional responsibilities.

Academic Integrity – "The Honor System"

Each student has the right and duty to pursue his or her academic experience free of dishonesty. To enhance the learning environment at Utah State University and to develop student academic integrity, each student agrees to the following Honor Pledge:

"I pledge, on my honor, to conduct myself with the foremost level of academic integrity."

A student who lives by the Honor Pledge is a student who does more than not cheat, falsify, or plagiarize. A student who lives by the Honor Pledge:

- Espouses academic integrity as an underlying and essential principle of the Utah State University community;
- Understands that each act of academic dishonesty devalues every degree that is awarded by this institution; and
- Is a welcomed and valued member of Utah State University.

Academic Dishonesty

The instructor of this course will take appropriate actions in response to Academic Dishonesty, as defined in the University's Student Code. Acts of academic dishonesty include but are not limited to:

- **Cheating:** using, attempting to use, or providing others with any unauthorized assistance in taking quizzes, tests, examinations, or in any other academic exercise or activity. Unauthorized assistance includes:
 - Working in a group when the instructor has designated that the quiz, test, examination, or any other academic exercise or activity be done "individually;"
 - Depending on the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments;
 - Substituting for another student, or permitting another student to substitute for oneself, in taking an examination or preparing academic work;

- Acquiring tests or other academic material belonging to a faculty member, staff member, or another student without express permission;
- Continuing to write after time has been called on a quiz, test, examination, or any other academic exercise or activity;
- Submitting substantially the same work for credit in more than one class, except with prior approval of the instructor; or engaging in any form of research fraud.
- **Falsification:** altering or fabricating any information or citation in an academic exercise or activity.
- **Plagiarism:** representing, by paraphrase or direct quotation, the published or unpublished work of another person as one's own in any academic exercise or activity without full and clear acknowledgment. It also includes using materials prepared by another person or by an agency engaged in the sale of term papers or other academic materials.

Discrimination and Sexual Misconduct

General Overview

USU strives to provide an environment for students and employees that is free from [discrimination](https://www.usu.edu/equity/non-discrimination.php) [_\(https://www.usu.edu/equity/non-discrimination.php\)](https://www.usu.edu/equity/non-discrimination.php) and [sexual misconduct](https://www.usu.edu/equity/sexual-misconduct/Sexual-Misconduct-Terms.php) [_\(https://www.usu.edu/equity/sexual-misconduct/Sexual-Misconduct-Terms.php\)](https://www.usu.edu/equity/sexual-misconduct/Sexual-Misconduct-Terms.php). Withdrawal Policy and "I" Grade Policy

Students are required to complete all courses for which they are registered by the end of the semester. In some cases, a student may be unable to complete all of the coursework because of extenuating circumstances, but not due to poor performance or to retain financial aid. The term 'extenuating' circumstances includes: (1) incapacitating illness which prevents a student from attending classes for a minimum period of two weeks, (2) a death in the immediate family, (3) financial responsibilities requiring a student to alter a work schedule to secure employment, (4) change in work schedule as required by an employer, or (5) other emergencies deemed appropriate by the instructor.

Students with Disabilities

USU welcomes students with disabilities. If you have, or suspect you may have, a physical, mental health, or learning disability that may require accommodations in this course, please contact the [Disability Resource Center \(DRC\)](http://www.usu.edu/drc/) (<http://www.usu.edu/drc/>) as early in the semester as possible (University Inn # 101, (435) 797-2444, drc@usu.edu (<mailto:drc@usu.edu>)). All disability related accommodations must be approved by the DRC. Once approved, the DRC will coordinate with faculty to provide accommodations.

Students who are at a higher risk for complications from COVID-19 or who contract COVID-19 may also be eligible for accommodations.

Respect for Diversity

Regardless of intent, careless or ill-informed remarks can be offensive and hurtful to others and detract from the learning climate. Emergency Procedures

In the case of a drill or real emergency, classes will be notified to evacuate the building by the sound of the fire/emergency alarm system or by a building representative. In the event of a disaster that may interfere with either notification, evacuate as the situation dictates (i.e., in an earthquake when shaking ceases or immediately when a fire is discovered). Turn off computers and take any personal items with you. Elevators should not be used; instead, use the closest stairs.

Mental Health

Mental health is critically important for the success of USU students. As a student, you may experience a range of issues that can cause barriers to learning, such as strained relationships, increased anxiety, alcohol/drug problems, feeling down, difficulty concentrating and/or lack of motivation. These mental health concerns or stressful events may lead to diminished academic performance or reduce your ability to participate in daily activities. Utah State University provides free services for students to assist them with addressing these and other concerns. You can learn more about the broad range of confidential mental health services available on campus at [Counseling and Psychological Services \(CAPS\)](https://counseling.usu.edu) (<https://counseling.usu.edu>).

Students are also encouraged to download the [“SafeUT App”](https://healthcare.utah.edu/uni/programs/safe-ut-smartphone-app) (<https://healthcare.utah.edu/uni/programs/safe-ut-smartphone-app>) to their smartphones. The SafeUT application is a 24/7 statewide crisis text and tip service that provides real-time crisis intervention to students through texting and a confidential tip program that can help anyone with emotional crises, bullying, relationship problems, mental health, or suicide related issues.
